

Ka Ni Kanichihk COVID-19 RESPONSE

Like many of you, we are continuously monitoring the updates related to COVID-19 to ensure we are doing our best as an organization to reduce risk as much as possible, and carry on supports and services to our participants and community in whatever way we can.

As a result, Ka Ni Kanichihk's physical offices will be closed until further notice, however staff will be working remotely to continue supporting participants and the community in the best way possible.

Effective immediately all physical offices will be closed and all programming, events, and meetings are CANCELLED or POSTPONED.

If you have any questions or concerns, please see the Ka Ni Kanichihk website for updates or call the main line at 204-953-5820 or email admin@kanikanichihk.ca
